Your 1040 for 2017 - Where to Start - William Robison - 2018-02-08

Taxes are complicated. How are you supposed to know if you need to file? Sure, the IRS has charts that tell you this, but it is based upon things like unearned income and filing status. They don't teach you those things in school. How can you figure these things out? I've been doing taxes for people for a while. Based upon my experiences, I decided to write this book to explain the basic steps that you need to go through before you even begin to file your taxes. This step by step guide will make sure that you do not miss anything important when you begin the process to efile your taxes. You will also find this book helpful if you are going to paper file your taxes or go to a tax professional. This information is not easy to find anywhere else. For example, in the instructions for the 1040ez, the checklist does not appear until page 7. And this is for the "easy" form! There is already an IRS publication, Publication 17, that that tries to explain the

Your 1040 for 2017 - Where to Start - William publication is 290 pages long and still does not put the steps in the correct order. Even CPAs like me do not read the publication unless we have to. However, this e-book is more concise, and in it I will walk you through the steps you need to help you figure out: What information do you need to gather before you start filing your taxes? What is your marital status? What is your gross income? Are you a dependent? Do you have any dependents? What is your filing status? Do you even need to file a return? This book will show you how to get started on your income taxes. I do this by putting the basic instructions in the correct order, and then explaining each step. Even if you end up going to a tax professional, at least you will know why you did. The book covers the documents that you will need to gather before you can file your taxes, including: W-2 Showing your wages from your job; 1095 Showing your Health Insurance coverage for 2017; 1098 Showing potentially tax-deductible Interest and related expenses; 1099-B Showing income from the sale of stocks and bonds; 1099-DIV Showing dividend income; 1099-G Showing Unemployment Compensation or other taxable income from the government; 1099-INT Showing Interest Income; 1099-MISC Showing several different types of miscellaneous Income; 1099-R Showing distributions from an IRA account or pension; SSA-1099 Showing Social Security Income. Gathering your documents is the necessary first step. I have worked with too many clients who have had to redo or amend a tax return because they forgot an important piece of paper. Doing this prep work can save you a lot of time and trouble. The book also covers: Alimony paid and received; child care expenses; self-employment; rental property; health insurance premiums; Tax overpayments; Income you received from any job that did not send you a W-2 or 1099-MISC; Unreported tips; W-2G showing your gambling winnings; 1097-BTC Bond Tax Credit; 1099-A Showing Income from abandoned property; 1099-C Showing Income from cancelled debts; 1099-K shows electronic business receipts; 1099-LTC shows long term care benefits; 1099-S Shows proceeds from the sale of real estate; 1099-SA Showing distribution from a Healthcare savings account; RRB-1099 Showing Railroad retirement benefits; K-1 pass thru income statement for partnerships and S Corps.

Get a Financial Life - Beth Kobliner - 2009-03-17

The bestselling book that the New York Times hailed as “a highly readable and substantial guide to the grown-up realms of money and business,” Get a Financial Life is a must-read for anyone in their twenties and thirties (or beyond) who wants to understand the basics of personal finance. If you’ve been meaning to get your finances in shape but have no idea where to start, this is your playbook. Get a Financial Life busts open the system, teaching tricks for becoming master of your own money universe. No matter what’s happening in the economy, all the guidance you need is right here. You’ll learn how to: • Pay off your credit cards and student loans and live debt free • Start saving, even if you’re living paycheck to paycheck • Take advantage of the latest tax rules and save a bundle • Find smart investments while still supporting socially responsible companies • Come up with a down payment and buy a home, even in a tough economy • Afford grad school • Protect yourself from identity theft And you’ll discover why a 401(k) is your best friend—in boom times and even if the market is tanking. From tracking your spending to finding deals on insurance to navigating the new world of homebuying, this easy-to-understand, comprehensive guide provides an up-to-date road map of the world of personal finance. Whether you earn \$30,000 or \$300,000, are single or married, are drowning in debt or just looking for ways to keep your savings secure in uncertain times, you’ll find the answers you need in Get a Financial Life. “A daring book....A life’s worth of smart financial advice” (Newsweek).

Ernst & Young Tax Guide 2017 - Ernst & Young LLP - 2016-11-04

Authoritative, user-friendly tax help from a global leader in tax services The EY Tax Guide 2017 is the American taxpayer's essential companion, providing the answers you need alongside trusted advice from EY professionals and turning filing your taxes into a simple process. This book brings clarity and ease to an otherwise complex process, helping you see past impenetrable regulations to maximize your return. Covering issues that the normal taxpayer encounters year-in and year-out, this world-class guidebook has

law changes that are often misunderstood and typically overlooked in other guides, including a new chapter with insights on the 3.8% levy on certain investment income known as the Net Investment Income Tax (NIIT). This year's guide also includes additional insight on simplified procedures for tangible property regulations and how they affect both individuals and businesses. Situational solutions offer specific advice tailored to homeowners, self-employed entrepreneurs, business executive, and senior citizens, helping you take advantage of every savings opportunity the government offers. At-a-Glance features provide quick guidance on tax breaks and overlooked deductions, new tax laws, and how to avoid common errors so you can dip in as needed and find the answers you need quickly. The EY Tax professionals keep track of tax law so you don't have to. Their in-depth knowledge and years of experience work together to help you file your taxes correctly and on time, without leaving your hard-earned money on the table. This invaluable resource will help you: Maximize your return with tax breaks and deductions See how the law has changed since last year's filing Avoid 25 common, costly preparation errors Identify 50 most overlooked deductions Get focused guidance on your specific tax situation No need to wade through volumes of IRS rulings or indecipherable accounting jargon; top-level tax advice in accessible language is an EY specialty. Make 2017 the year of frustration-free filing, and join the ranks of happy taxpayers with the EY Tax Guide 2017.

Armed Forces' Tax Guide - Publication 3 (For Use in Preparing 2020 Returns) -

Internal Revenue Service - 2021-03-03

This publication covers the special tax situations of active members of the U.S. Armed Forces. For federal tax purposes, the U.S. Armed Forces includes commissioned officers, warrant officers, and enlisted personnel in all regular and reserve units under control of the Secretaries of the Defense, Army, Navy, and Air Force. The U.S. Armed Forces also includes the Coast Guard. The Public Health Service and the National Oceanic and Atmospheric Administration can also receive many of the same tax benefits. The U.S. Armed Forces doesn't include the U.S. Merchant Marine or the American Red Cross. Members serving in an area designated or treated as a combat zone are granted special tax benefits. In the event an area ceases to be a combat zone, the IRS will do its best to notify you. Many of the relief provisions will end at that time.

Bulletin of Courses - Applied Statistics Training Institute (U.S.) - 1978

Learning to Love Form 1040 - Lawrence Zelenak - 2013-03-29

No one likes paying taxes, much less the process of filing tax returns. For years, would-be reformers have advocated replacing the return-based mass income tax with a flat tax, federal sales tax, or some combination thereof. Congress itself has commissioned studies on the feasibility of a system of exact withholding. But might the much-maligned return-based taxation method serve an important yet overlooked civic purpose? In Learning to Love Form 1040, Lawrence Zelenak argues that filing taxes can strengthen fiscal citizenship by prompting taxpayers to reflect on the contract they have with their government and the value—or perceived lack of value—they receive in exchange for their money. Zelenak traces the mass income tax to its origins as a means for raising revenue during World War II. Even then, debates raged over the merits of consumption-based versus income taxation, as well as whether taxes should be withheld from payroll or paid at the time of filing. The result is the income tax system we have today—a system whose maddening complexity, intended to

circumstances, threatens to outweigh any civic benefits. If sitcoms and political cartoons are any indication, public understanding of the income tax is badly in need of a corrective. Zelenak clears up some of the most common misconceptions and closes with suggestions for how the current system could be substantially simplified to better serve its civic purpose.

Risen Indeed! - - 2001-01-31

An eloquent, thoughtful text is interwoven with and set to equally passionate music in this exploration of the most important week in the Christian calendar-Holy Week and Easter. As the "hosannas fade in crucify", we are led to wonder what we might have done, what we might have said, had we been there. What would our reaction have been to the shadow of the cross or the shock of the empty tomb? It is good to wonder, but it is better to know that because of the events of Holy Week, life eternal is the promise. For that, Christ paid the ultimate price, so that on Easter Sunday, all Christians can respond to the traditional Easter greeting, "The Lord Is Risen", with the affirmative response, "He is Risen Indeed!" From the quiet moments of introspection at the Lord's table to the terrible agony of the cross, and culminating with the joyous resurrection, this cantata is a moderately easy, yet completely satisfying and inspirational implement for worship. Indeed, He Is Risen!

Risen Indeed! - - 2001-01-31

What would our reaction have been to the shadow of the cross or the shock of the empty tomb? It is good to wonder, but it is better to know that because of the events of Holy Week, life eternal is the promise. For that, Christ paid the ultimate price, so that on Easter Sunday, all Christians can respond to the traditional Easter greeting, "The Lord Is Risen", with the affirmative response, "He is Risen Indeed!" From the quiet moments of introspection at the Lord's table to the terrible agony of the cross, and culminating with the joyous resurrection, this cantata is a moderately easy, yet completely satisfying and inspirational implement for worship. Indeed, He Is Risen!
